OPTIMIZING DATA LOOKUP	)

This is a decision on the petition, filed on 17 June 2005, under 37 CFR §1.181 to withdraw holding of abandonment of the above-identified application.

This application was held abandoned for failure to timely file a reply to the Office Action mailed on 25 August 2004. A Notice of Abandonment was mailed on 03 June 2005.

In support of the petition, petitioner asserts that the Office Action mailed 25 August 2004 was not received. Petitioner supplies (1) a statement that a search of the corresponding file and the docket record could not find evidence that the Office Action was not received; and (2) a copy of the docket record and mail log where the Office Action would have been entered had it been received and docketed by attorneys of record in the application.

The provided copy of the docket record and mail log shows no entry indicating receipt of the Office Action mailed on 25 August 2004.

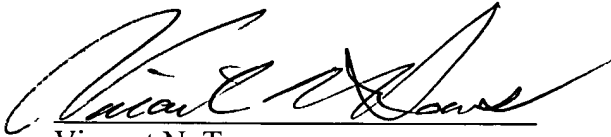

The relevant portion of MPEP § 711.03(c) states:

The showing required to establish nonreceipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received by the practitioner and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office communication would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement. See Notice entitled "Withdrawing the Holding of Abandonment When Office Actions Are Not Received," 1156 O.G. 53 (November 16, 1993).

Petitioner has met the criteria of set out in MPEP § 711.03(c) for establishing failure to receive the Office Action mailed 25 August 2004.

For the above, the petition is **GRANTED**. The abandonment is **WITHDRAWN**.

The Office Action has been remailed and attached herewith.
